CHRISTMAS CHIMES!

How they add to the Christmas spirit! "Silent Night, Holy Night"—"Adeste Fideles" —pealing out on crisp air that is richly laden with the memories of other Christmas seasons —of that One memorable Christmas-tide centuries ago. Each Christmas sees an ever increasing number of churches enjoying the benefits that come through the installation of Golden Voiced Tower Chimes.

A CHURCH AND COMMUNITY NEED

Not only at Christmas time but at every other season of the year these Modern Tower Chimes confer incalculable benefits through reaching the strays and non-attendants—those whom the Church most of all wants to reach but who shun every ordinary invitation. When Chimes are installed there is invariably a noticeable spiritual awakening in the community—new faces are seen in the congregation; regular communicants display added zeal.

MODERN TOWER CHIMES

(Played by Organist from Electric Keyboard)

Inventive genius has made the operation of Modern Tower Chimes as simple and easy as picking out a tune with one finger on the piano. The tone—round, full and velvety—is fully controlled by electrically operated striking actions and dampers which latter prevent all tone intermingling. Cost is moderate. Concerted action will enable US to have Chimes ringing by NEXT Christmas.

THE MEMORIAL SUBLIME

To persons of affluence these modern Chimes present the one most fitting and enduring form of Memorial. Inquiry addressed to J. C. Deagan, Inc., 279 Deagan Building, Chicago (to whom we are indebted for these folders) will bring, without obligation, full information including attractive Memorial Booklet.
